Hey Josh,

How's it going manive? Everything is going the same here. We all miss you very much. Our thoughts are with you all the time.

Nita said she is sending you some stuff and a letter. Whether or not you get it or not is another question. It seems to us that you are not getting the stuff we are sending you. I hope you are.

We are getting ready to open the pool this week and we will leave it open till you get home. Some swimming and a cook out sounds good, don't it? We'll cook up some Hussein burgers - Fat and dead.

Hope you are staying safe because there has been a lot of bad stuff going on over there. But the US military is looking good. So are the British. Those are some Bad jokers. They don't mess around.

We talked to Marcie last weekend and she says she is homesick and misses you and might come home for a week or two. We will be glad when you can come home.

We sent some more E-mails but wonder if you got them. You are probably under a blackout. - Well, write us or E-Mail us when you can. Stay busy and be alert.

We love you + miss you much.

Dad, Sandra
