Hey Josh

Just thought I'd drop you a line and say "Hey" and we are thinking about you a lot. You guys are doing a great job over there and everyone in America appreciates it. But its time for you to come home so I'm going to make a call to the President today. So you should be ready to leave when you get this letter.

I've been cutting grass today and I'm tired. Sorry about the hand writing but I hadn't had a beer yet. maybe I should get one. So hold on a minute - - -

Now I have one so maybe you can read this better.

We enjoyed Marcia's visit - she seems to be doing fine. She misses you very much.

I just talked to MAMA and she says Hello, misses you, and hurry home.

Everyone in the family says Hello.

I hope you have gotten the other packages we sent. I sent you some ping pong paddles and 4 balls so you can play with them. Hit them off the walls or just make up some games with them. might give you some thing else to do to pass time.

Hope you won the basketball tourney, I bet you did. We'll E-Mail you and you do the same. We want to welcome you guys home when you get back.

We will see you port and get a Motel
and do some vacationing while we are there.
I'm sure you + MARGIE will have a lot
of catching up to do so we won't bother you.
Can't wait to see some pictures.

You take care and be safe. Sandra
Lil Danny says "hey" and we love you
very much.

The pool is open and ready so hurry.

Dad, Sandra, Lil Danny
