Dear Josh,

It was so very nice to hear from you. never know how much missed you. We thought about you this past Sunday (Easter) and what good times we had in the ^{years} past.

I'll respect your mother's wishes and not ask you to divulge anything about her. But to tell you the truth, I never knew what went wrong - because the last time I saw you and your mom was when we ate at Buffalo's after Christmas, that year. I always thought maybe she didn't want to put me in the middle of things, ^{since} she wasn't getting along with your mama Ann & Debbie.

I'm glad you still have contact with Ted. He came by the office to see me and Christi, sometime after the first baby was born. (I think he had a Gas Company meeting in Carrollton.) We were so glad to see him. To us, he will always be part of our family.

I talked to your Dad a couple of weeks

ago. I invited him & Andrea to come visit. He wanted to know if we still live at the same place.

We still have pets - all of which were strays - we have taken in.

2 cats - Scooter & "B B"

2 dogs - Lady & Luke

There's also another cat that eats at our house most everyday, but doesn't stay all the time - we call him Snowflake.

We are all looking forward to when you get some leave and you and Marcia can come visit. We want to get to know her - she has to be special if you chose her - because you are extra special yourself.

I'll be looking forward to doing some good Southern cooking for you - anything you want.

Mama Ann hasn't been feeling very good, lately; but she does send you her best.

I don't know much else to
write at this time, so I'll get back
to work & figure a few more invoices.
David & Christi send you their best
& their love.

Write when you can - take care.

I love you -
Aunt Louise
