Josh,

Hey honey? I'm glad that you are able to e-mail me. It has been nice to get to talk to you. I think about you all the time.

How is everything on the boat? Are they feeding you good? Not as good as I do, right? I have just been eating out mostly. I go have dinner with Vickie + Allen on the weekends. They have been really nice to me.

I'm making good tips at the bar. Friday I made \$75, Saturday I made \$85! Can't beat that. I treated myself to a few new clothes. I only spent about \$35. I'm a smart shopper<sup>ss</sup>!

Your mom is driving me crazy. She calls almost everyday. She gets mad cause I'm never there. It's kind of like she just expects me to sit at home by myself all the time. I hate being in the apartment without you there. It is so lonely. I miss you so much it hurts.

Gandra calls me about once a week to check on me. It's not that bad. My mom usually calls once or twice a week. Everyone is keeping a close eye on me!

I keep thinking about when you get home, how I'm going to jump on you so hard I'll probably knock

you are. I'm going to career you in  
hugs + kisses.

I'm kind-of sad. Valentine's Day is  
Friday, and you're gone. All the girls  
will be getting flowers + candy,  
going out with their boyfriends, and  
I have to work. Hopefully I will  
make a lot of money though! I  
might go buy myself a box of  
candy.

As soon as your ebay stuff  
comes in I will mail it to you.  
Hopefully it will come this week.  
Let me know if there is anything  
else you want me to send you.

Your pay this week is only going  
to be \$850 again. I'm going to try  
to do as much as possible with  
it. I'm also going to mail your  
SES's for u!

I love you and miss you  
bunches.

Love Always,  
Marcia
