Hey Josh -

We hope you are doing fine. It's great to hear from you on E-mail every once in a while. Maybe by now you will get your Regular mail on time.

I sent you a few newspaper articles which includes some of the race facts. The Daytona 500 was a bummer. The rain cut it short at 112 laps out of 200 laps. The Real racing was just about to get started (the last 50 laps are the best). They played a lot of Follow the leader. You probably should be getting your tape from Marcia soon.

We've talked to her quite a few times. About once a week. She seems to be fine.

Let us know what's happening out there.

If you need anything, let us know.

We sent you some snacks. Hope you get to enjoy them. You might have to hide some for later - HA HA

We've all been sick with a cold but are recovering now.

The ESPN magazine has some racing news in it. Check it out. Tell me if you want every weekend's Sports page. Since ya'll have a computer, you may not need the papers. Let me know. Also let us know how long it took you to get this, it will be mailed Feb 18. Post office is closed today - "President's Day."

Email or write us soon as possible.

We love you and lots of prayers are with you all.

Dad, Sammie, LilDaddy
