Welcome Home!

The State of Georgia is extremely proud of all its veterans who have honorably served our country. We welcome you back to Georgia.

A copy of your discharge (DD214) has been received from your military service department. We have placed this form in our permanent file.

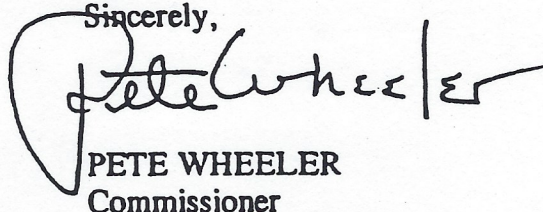

The Georgia Department of Veterans Service is an agency of your State Government created for the purpose of providing help to Georgia veterans, their dependents or survivors.

You may have been counseled and perhaps you have received printed information pertaining to some of the benefits to which you may be entitled under the law. Our job is to explain in detail these benefits and assist you free of charge in obtaining them.

The Georgia Department of Labor - Job Service Office, provides employment service to recently discharged veterans in your local area. The Disabled Veterans Outreach Person (DVOP) and the Local Veterans Employment Representative (LVER) can make referrals to local jobs training programs.

If you have not previously applied for benefits to which you may be entitled, or even if you have applied, we may be able to expedite these applications. We urge you to contact the Veterans Service Office nearest you. The locations of all our offices are listed on the back of the enclosed pamphlet, State Benefits for Georgia Veterans. Office hours are 8:00A.M. to 4:30P.M Monday through Friday.

Sincerely,

PETE WHEELER
