CAPABILITY STATEMENT

WWW.CODEHEIGHT.COM

CodeHeight Solutions, LLC was founded in 2017 and located in Montgomery Alabama. Our team specializes in custom software development, cloud technologies, information assurance, mixed reality development, and blockchain. With over 15 years of professional experience in the federal and state government sector, our mission is delegated by integrity in order to provide services using the latest industry standard technologies for complete business solutions.

DIFFERENTIATORS

- Blockchain** Development with blockchain technology using Proof of Work (PoW).
- Cloud Technology** Experienced with cloud architecture, development, maintenance, and migrations.
- Full Stack Dev** Implimented multiple languages, libraries, IDEs, databases, and operating systems.
- Virutal Reality** Created mixed reality applications with Unity2017 and Acer headsets.

PAST PERFORMANCE & EXPERIENCE

- US Department of Defense** Information Assurance for Network Enterprise Center, 93rd Brigade, and 7th Signal.
- US Army Fort Benning** Developed custom software for brigades at the Maneuver Center of Excellence.
- Lockheed Martin** Team lead for full software development life cycle on large scale applications.
- Department of Medicaid** Upgraded legacy software applications to the latest Microsoft technologies.
- Department of Public Health** Upgraded and maintained Alabama's state wide Immunization application.

CORE COMPETENCIES

CodeHeight Solutions specializes in Microsoft technologies for development services, which includes but not limited to, ASP.NET, Office365, SharePoint, and Azure technologies. Our innovative software development experience includes many different full stack technologies and open source projects.
