Josh,

Hey baby! It feels strange writing you a letter. Kind-of-like when we were writing each other when you were in Rwanda.

Everything is going okay here. I dropped my chemistry class. I could not find a tutor. I'm doing good in all my other classes though.

Saturday I went and got my chair fixed. I got a trim and blond highlights put back in. Everyone likes it. I like it too!

I bought a new cue stick too. I got a stick + case for only \$48!!! Brand new! Am I a smart shopper or what?

Your mom is driving me crazy. She has been calling like every other day or so. I've tried explaining to her that I am fine and that I have lived by myself before. I'm a big girl.

I'm keeping myself pretty busy. I seem to miss you the most when I go to bed at night and you're not there to pick at, then day on.

So how is boat life? You missing me yet? I'm missing you a bunch. I'm also getting very horny. Guess Mr. Toy is about to cum out of the

closet' (Hee... hee... I'm so funny)  
I'm ready for you to get home so  
I can give you a big ol' hug and  
a sloppy kiss!!!!

Well I better get back to work  
now. I love you and I'm thinking  
about you always.

Love Always,  
Marcia
