Hey Josh,

Hope everything is going well for you and your buddies. We got a letter the other day, Thanks. Everyone else got one too. It's great to hear from you!!!

I bet you were a little scared out there in the ocean when the storms hit. I would be. I don't like the ocean very much. Those huge waves had to worry you all a little. We can't wait to see some of your pictures.

The weather has been miserable here in the Southeast for the past month. I've had a part job to do for 3 weeks now but the weather won't let me. It's pissing me off. ☹️

We are all doing fine and Danny's started baseball. Our 1st game is next Tuesday Mar 4th against Carrollton. Hope we win.
