**GEORGIA**™

Monday March 16

Hey Josh,

Just thought I would say "hey"  
and let you know that you are  
heavy on everyone's mind. We  
think about + pray for you all the  
time. It looks like the war is  
starting any day now. Bush is  
addressing the nation tonight. By  
the time you get this it should already  
be started. Good luck and hurry  
and get it over with.

We received 2 letters from you  
a few days ago. Then we E-mailed  
you twice. But we are sending  
you some more goodies. I wonder  
if you ever got the shoebox full  
of snacks we sent before and  
the X-Box games. We  
sent them 3-4 wks ago.

Here is a couple of pictures made recently. Don't lose them. I'm sure you won't. I can't believe you are in the Red Sea. Too bad you can't get off the boat and tour some of those places. Let us know if you are getting this stuff.

We had a good race yesterday at Darlington. Super Finish with Caven over Kurt Bush by inches. They bumped each other all the way to the finish line. I'm sending you the Sports page so you can read about it. Plus we heard there was a shortage of toilet paper so it could come in handy. HA! HA! HA!

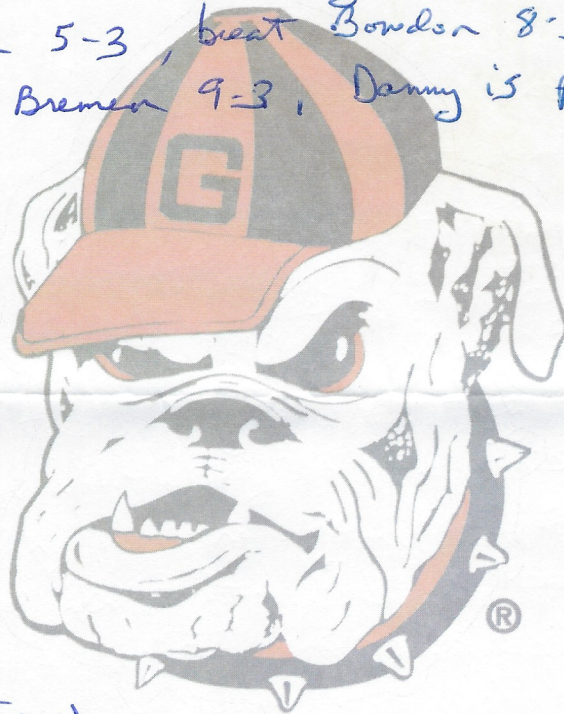

Marcia is doing fine the last time we talked to her. I hope she is sending you race tapes.
