March 12, 2002.

Josh,

Hey baby & Miss me yet? I miss you like crazy. I'm sitting in Psychology class right now watching a video. It's about to put me to sleep.

Work is going good. They hired a new bartender to work a few nights during the week. She is going to work for me every once in a while so I can have some weekends off. I'm working to much!

The weather here is starting to warm up a bit. It's still raining a lot though. I'm tired of this cold weather. You not here to keep me warm &

Allan has been visiting Al'ed on Mondays. Allan says your truck is doing fine. Al'ed kisses you. Not as much as me though.

I'm doing my bowling match tomorrow. Wish me luck. I hope I win!!!

I've got to get back to class, but I love you and I think about you all the time.

Love Always,
Marcia

P.S. A NEW POOH MOVIE
COMES OUT NEXT WEEK!
GUESS I'LL HAVE TO GO
BY MYSELF!

ICU ☺
