The Cat who
saw you naked.

Hey Son,

How is it going? Everyone is praying
for you & our military.

We miss you!

I am enclosing some pictures &
newspapers. Crackers too.

Everything is the same here.

I am glad you are able to stay busy.

As you will see in the pictures -

Bernie was not very "happy" at

his party! Jonathan is doing good in soccer and school.

He was # 96 out of 623 students in his grade. That was
good considering he missed a month of school when he was
sick.

I'll write again soon.

Remember to Say Your Prayers & take care of yourself.

I love you lots & lots

Mom.

Jonathan, Bernie
