My Dear Grandson,

Fish, just a few lines to let you know how much we are thinking about you and all your baddies. We miss you and love you very much. I'm still a little up set because I didn't get to go on the Cruise with you.

I saved your share of the turnip greens for two weeks and decided I needed to throw them away. Sorry!

Dinner and I celebrated our 42nd Wedding Anniversary yesterday. Brandon and Austin was out of School

(2)

We took them plus Celby and Shelby
to Pine Mountain Safari. We enjoyed
the day at animals very much. We
took a picnic lunch with us. We
thought of Marcia when we passed
through Argusville. We hasn't
heard from her but Jiminy did
leave her a message on the answering
machine. We'll try again later.

Are you getting the race tapes?

If you have time Brandon would
probably like to hear from you.

We are into Spring Soccer now
with both Austin and Brandon.

Pretty soon base ball will start. We
will probably be pretty busy.

Keith bought him a new truck.

A Ford 150. It's red. Would you
believe that? They got something about
red trucks for the Gates' boys of guess.

We plan to cut grass today and

also we are going to have a

New lines put in the pool. You'll
probably not want to see any water
when you get home.

Take care of yourself and always
you're in our hearts. Love,
(over) Mumma
